

PORTLAND
COMMONS®

DEFINING **HIGH PERFORMANCE**

PORTLAND
COMMONS®

The purpose of the office, defined

At the intersection of Front Street West and Portland Street, in the heart of the King West neighbourhood, will emerge a new 560,000 sf high performance office building designed with a focus on employee wellness, technology, and sustainability.

Portland Commons is designed to provide best-in-class health and safety standards while integrating customizable experiences throughout the building. From corporate branding opportunities and private lobbies, to dedicated elevators and multiple private terraces, Portland Commons defines high performing innovative workspaces.

DESIGN

Transforming the office from a commodity, to an experience

Portland Commons will provide a high performance workplace with comfort, health and the productivity of its community at the core. This innovative building seamlessly integrates modern aesthetics that businesses demand, with the existing neighbourhood heritage buildings that the city adores. An abundance of private terraces and common outdoor landscaped spaces augment flexible workspaces in a way that is both functional and desirable. The latest innovations in infrastructure and technology stand harmoniously alongside the heritage buildings and established look of the neighbourhood.

KEY DESIGN FEATURES

- 10 Glass Bridges**
Providing natural light, connectivity to the main building and unique collaborations workspaces
- 9 Retail / Showroom Opportunities**
Multiple opportunities for tenant street level presence

WELLNESS

The true purpose of the workplace, defined

Employee health, happiness and productivity are definitive sources of inspiration for Portland Commons and ARUP, a highly-regarded and trusted partner, has advised on thoughtful design choices based on deep experience in the science and healthcare sectors. ARUP defines current expectations in creating work environments catered to the safety and well-being of tenants, both today and in the future.

A building as vibrant as the city unites with healthy initiatives to support a new way of working. Intentional design sets the stage for a real focus on human solutions that are both practical and functional. Portland Commons defines high performing design and work solutions that give businesses a unique advantage in attracting and retaining top talent.

Health and wellness, defined

Portland Commons is designed with fresh considerations that implement forward-thinking with best-in-class strategies focusing on employee wellness.

Based on leading research from ARUP, and other experts, Portland Commons introduces a functional way to focus on employees. From productivity to health, every touchpoint has been considered to augment the workplace experience, with new health and safety measures literally built into the building's DNA.

- A** RAISED FLOOR HVAC SYSTEM
- B** AIR DIFFUSERS (INDIVIDUALLY CONTROLLED)
- C** FLOOR-TO-CEILING GLASS (10'9" - 12'0")
- D** OPERABLE WINDOWS (310)
- E** 13 OUTDOOR TERRACES (280 SF - 9,100 SF)
- F** LED LIGHTING W/ DAYLIGHT SENSORS
- G** UV LIGHT STERILIZATION SYSTEM SYSTEM CAN BE INSTALLED AT TENANT'S OPTION
- H** AIR IONIZATION SYSTEM (ENHANCES MERV14 FILTRATION SYSTEM'S ABILITY TO CAPTURE UNWANTED PARTICLES)
- I** INTELLIGENT BUILDING SYSTEM (W/ MOBILE APP)

Meaningful experiences where collaboration and culture thrive

TERRACES AND VIEWS

13 private outdoor terraces are designed to be an extension of the indoor workplace. By providing direct access to sunlight and fresh air, these coveted areas open-up new ways to personalize the space, while offering another opportunity to promote wellness. From 280 sf to 9,100 sf, these terraces are not only unique to the neighbourhood, they are unique to any corporate workspace.

Employees will take in expansive views from any floor: from city, to park, to skyline. The South Tower upper floors showcase stunning unobstructed panoramic views of the city and Lake Ontario.

COURTYARD

The Portland Commons' outdoor courtyard defines connectivity. As a privately-owned public (POP) space, the extensive courtyard is designed for collaboration and socialization, while encouraging integration with the community. These Wi-Fi-enabled outdoor spaces that surround Portland Commons link workplaces, ground floor retail and neighbourhood environments by creating places to eat, shop, socialize and get outside.

SUSTAINABILITY

Sustainable building features transform the human experience into a meaningful experience. Key features that define the high standards at Portland Commons include:

- Targeting LEED Platinum Core & Shell, LEED Zero Carbon and WELL Gold certifications
- 367 bike stalls and spa-like gender neutral shower/changeroom facilities
- Green roofs
- LEED Zero Carbon verifies the achievement of net zero goals and enhances the health and well-being of building occupants and the natural environment
- Portland Commons is WiredScore Platinum and SmartScore Certified
- Portland Commons has been honoured with the internationally recognized "2023 Green Good Design Award"

Wi-Fi enabled outdoor courtyard surrounding Portland Commons.

LEED Zero Carbon verifies the achievement of net zero goals and enhances the health and well-being of building occupants and the natural environment

FLOORPLATES

A highly desired feature of Portland Commons is the large, unique and efficient floorplates varying from 20,000-59,000 sf. This strategic design offers flexibility in individual workplace layouts. Each tenant can personalize space to meet their workforce needs with horizontal and vertical customization opportunities. Whether that translates into a complete floor design using 59,000 sf floorplates, or more vertical space in the boutique building with 10,500 sf floor plates, Portland Commons offers unlimited opportunities to bring visions to reality.

The boutique four-storey office component along Front Street also offers a dedicated entrance, elevator and terrace, and expansive floor-to-ceiling glass bridges overlooking the courtyard that connect to the main building. This unique design is a showcase feature of Portland Commons and provides a captivating opportunity for any tenant.

CUSTOMIZATION

Portland Commons will feature many entry points, multiple lobbies, and various private elevators. This innovative design feature gives tenants their own customized presence while being part of the neighbourhood and community. Multiple exterior signage and lobby branding opportunities will incorporate individual corporate identities, including the south façade with excellent visibility to the Gardiner Expressway and the podium with more subtle exposure along Portland Street in the heart of King West.

AMENITIES

The King West neighbourhood is known to attract global, high-tech, creative and media organizations with its local amenities and unparalleled access. Portland Commons is a competitive advantage to both attract and retain top talent:

Superior connectivity to public transit: TTC (dedicated King West Line), Union Station, Go Transit, Billy Bishop Airport and the Gardiner Expressway. Future GO Station steps from Portland Commons slated for completion in 2024.

Nearby 400,000 sf of urban retail space within a very short walking distance includes new shopping, dining, and wellness opportunities for employees and the general public to enjoy.

Amenity-rich area with boutique and flagship retail storefronts and world-class restaurants.

Highly walkable with an 91 Walking Score, 100 Transit Score and 96 Biking Score (367 bike stalls with dedicated entrance).

Urban density with a highly educated labour pool. 67.8% of population within 1 km of Portland Commons with university education (59.5% within 3 km).

Portland Commons shuttle bus service, offering transportation to and from Union Station (5 min ride down Front Street).

Uniting with a single vision of high performance

Portland Commons is a safe, sustainable and healthy environment for workspaces to come together. It's a workplace like none other. Meet the team that is defining high performance.

THE TEAM

Carttera

Carttera is a Canadian real estate investment fund manager and developer.
